

The Grove Fun Times

JULY 2018

TRIVIA

6/19/18 Trivia was hosted by Connie & Bill Groves and enjoyed by 20 Grovers after introductions were made to three new couples from Pondview joining in on the fun discussing questions like:

How many states border Mexico?

What do bees collect?

What was it called when Ali hugged the ropes in a match?

(No answers here—you have to come & join the fun!)

There was a new trophy for the winning table which included Bobbie, Dolly, Rob, Joyce & Don.

And a new addition to the festivities—a Consolation Award—won this week by the table of Mary, Bob, Lorraine, Kathy and Merv (and Merv was sooo excited!!)

Next trivia is scheduled for July 3, hosted by Connie & Mark—plan on joining in on the fun discussions.

WE DO NEED HOSTS for the remainder of the year. Please see the sign-up sheet and become a host--it's as much fun coming up with the questions as it is getting the answers!

Share the Beach – Alabama Sea Turtle Conservation

May thru October is sea turtle nesting season! There are 8 Grovers who are actively involved in the Alabama Sea Turtle Conservation Program: Priscilla Bell, Meleny Cole, Morgan Coombs, Carole Deer, Patricia Loving, Diana Nichols, Susan Rowlett, and Darlene Steele. Mama sea turtles usually nest at night, so we walk the beaches at daybreak in search of their nests. When found, we record the location and mark the nest. We seek to protect the nests from predators and human interference, and keep watch until the hatchlings emerge from the sand (55-75 days after the eggs are laid).

We want to see that as many of these baby turtles as possible make it from the nest to the water. The pictures are (1) a turtle crawl (tracks) and nest area, (2) the eggs in the nest (151 in this nest), and (3) the marked nest (with the volunteers who processed it). We hope everyone will enjoy the beach and respect the wildlife environment there. Who knows, maybe you will see some turtle nests, or even some baby turtles when they hatch. How great is that!

The U of A takes over **South Baldwin Community Theater** every June and residents of the Grove have attended as a group for the last 3 years, this year's wonderful performance by very talented college students was "Pump Boys and the Dinettes". It was a fun, very well done presentation. We from the Grove took up the first two rows!

And we were the 1st to arrive and enjoy visiting!

Next year's U of A performance will be "Forever Plaid".

But in the meantime, South Baldwin Community Theatre will be presenting the following plays this year, plan on seeing some—they are enjoyable.

Disney Aladdin Jr. (Aug 2, 3, 4, 9, 10, 11)

The Miracle Worker (Sept 14, 15, 16, 21, 22, 23)

The Crucible (Oct. 19, 20, 21, 26, 27, 28)

Classic Movie Night

The next classic movie will be shown on Friday July 13 starting at 7pm. Bring your favorite snack, drink and a comfy lawn chair for the story of a man 'who sacrificed life in the present..... to find love in the past. **Somewhere In Time** stars Christopher Reeve and Jane Seymour. Tissues are also recommended.

Bible Study

Bible Study will take a break over July and August and resume in September. The new study topic will be announced in August. We pray you have a blessed summer!!

Karaoke was held on June 16th with around 20+ Grover's attending. We did have a problem with computer locking up but still had a fun time listening, singing along or getting up and singing their favorite songs. Some people brought their favorite beverage and some snacks. We will be having Karaoke on July 14 at 6:00 and hopefully in new clubhouse Hope to see you in July

B-I-N-G-O

In case you did not know - - we play B-I-N-G-O at the clubhouse on the 2nd and 4th Tuesdays of every month. We start at 6:30 pm, and we play for approximately an hour. In that hour, we usually play several "games". Each "game" consists of 3 variations of BINGO, and can be a lot of fun.

The first variation is traditional, straight line BINGO (Vertical, Horizontal or Diagonal) with the winner getting one single BINGO on a card. The second variation is that the winner has to get TWO BINGOs on one card (in this variation, covering each of the 4 corners counts as a BINGO). The third variation will mean that the winner covers their numbers in a pattern determined by the caller before that game started.

The last "game" of the evening will be the "coverall", where every number on the winning card has to have been called.

Our crowds vary in size, depending on our player's personal schedules - - most nights we have 8 to 10 players.

We encourage you to join us for an hour or so of fun and great socializing - - where you might just win enough nickels to buy a burger at McD's - - the burgers ARE still selling for 15 cents, aren't they???
